JUDGING STANDARDS:

Excellent - Free from injury (not over 25% waste and not more than slightly affecting appearance); uniform in size, shape and color (not over 10% variance); of the best market size and quality (beets 1 1/2"-3", carrots 3/4"-1 1/2", onions over 2", potatoes 6-12 ozs.). True to variety type.

Good - Clean, free from damage (not over 25% waste and not damaging appearance), fairly uniform in size, shape and color (not over 25% variance); of good market size and quality (beets over 1 1/4", carrots 1 - 2 1/2", potatoes 5-12 ozs.). Fairly true to variety type.

Worthy - Fairly clean, free from serious damage (not over 10% waste and not seriously damaging appearance); fairly uniform in size, shape and color (less than 100% variance) of fair market size and quality (beets over 1" and under 4", carrots 1 1/2"-3", onions over 1 1/2", potatoes over 4 and under 14 ozs.). Not off type enough to be disqualified.

Unworthy - Dirty, seriously damaged by disease, insects, or other means; extreme difference in size, shape, and color-plate is unworthy if largest specimen is twice the size of the smallest. One or a combination of the above points will disqualify an exhibit.

A pamphlet on exhibiting is available from Cooperative Extension Center, University Drive, Torrington, CT 06790

3. Pumpkins will be all fruit not classified as squash.
4. An exhibitor may enter one 1 specimen per class and must be present when the pumpkin or squash is weighed. The entry must be grown, cared for, and exhibited by the grower.
5. The specimen must be present for the entire duration of the fair to be eligible for prizes.
